

Road Test Information

Cost

Road tests for Tanner City students: \$100.00

Appointments & Location

We offer license appointments every Saturday at our West Peabody Location, 4 Lake Street.

These appointments may be changed by the Registry. We will notify you as soon as we are notified by the Registry as to the new time.

If we are setting up a test for you PLEASE make sure you do not have another appointment scheduled with the Registry or our appointment will be cancelled by the Registry.

Course Completion

You must complete the entire course at least 2 weeks prior to being put on list for testing.

Registry Fees

Before the date of your appointment it is advised that you pay all fees to the Registry. This can be done by PHONE, ON-LINE or in Person at any Registry Branch. The \$85 fee consists of a \$35 road test fee and a \$50 license issue fee. This allows the Registry examiner to convert your permit into a license as soon as you passed the road test.

TANNER CITY can not accept Registry fee payments.

Checklist for Road Test

- Wherever you take a road test please be sure to bring with you your LEARNERS permit (must be readable) and a completed Registry Road Test Application. If you have a "B" restriction on your permit you must bring your glasses or contacts or you will not be allowed to take the test.
- Please write down CONFIRMATION # given by Registry as proof of payment, you will need this number on test day
- Please go to this link for License Application: <http://www.mass.gov/rmv/forms/21844.pdf>
- A completed License Application is required the day of license appointment.
- Registry is now charging a \$20.00 convenience fee for license appointments.
